RE: MUR 5639

Dear Mr. Jordan:

On January 19, 2005, your letter dated January 14 and the enclosed complaint filed by Mr. Charles Bolen (MUR 5639) were delivered to my home address. I am submitting this response within the 15 days you provided me to do so.

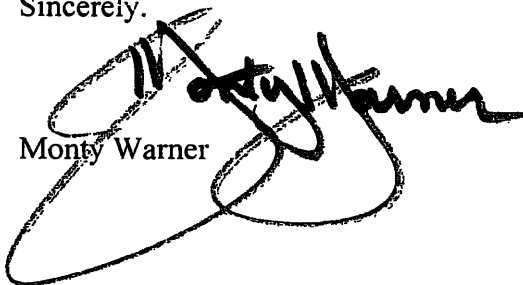

I personally had no involvement or role whatsoever in the planning, coordination, or production of the Bush-Warner campaign signs referred to in Mr. Bolen's complaint. At no time and in no way did I authorize the production of these signs.

I submit this response on behalf of myself only. I do not know, and thus cannot answer any questions about, the role of any other individual or entity in this matter.

Accordingly, I respectfully request that the Commission determine that there is no reason to believe that I have committed any violation of the Federal Election Campaign Act, as amended, and that no further action should be taken against me with respect to MUR 5639.

Sincerely,

Monty Warner
